Power and design combined with living comfort

World premiere at Boot Duesseldorf 2020: the new model by BAVARIA YACHTS combines the best of the BAVARIA S-Line sports line and the BAVARIA R-Line luxury line. A comfortable cockpit, a large aft sunbathing area that can be quickly transformed into a lounge area with a table on seafront, as well as a large oversize platform, make the BAVARIA SR41 the ideal motor yacht to spend a pleasant day at sea with family and friends. Power and dynamism of driving are the perfect combination for long navigation and crossings.

Interiors

The intelligent cabin layout takes the BAVARIA SR41 into a new dimension. The large master suite, located in the centre of the hull, has its own bathroom with separate shower cabin and exclusive access. At the bow there is a VIP double cabin for guests with own bathroom. The BAVARIA SR41 is available in Softtop, Hardtop and Coupe versions. Interior design by Marco Casali - Too Design.
