DESCRIZIONE

What is a boat for if it isn't to get together with family and friends for fun, for fishing, for exploring quiet bays and beaches and for the exhilaration of ripping across blue water? With the Riviera 42 Flybridge Convertible you'll be doing it in style. The open flybridge not only gives you sensational penthouse-like views, it makes the 42 a true all-seasons cruiser. You'll appreciate the contemporary styling of the helm station, the controls reminiscent of a luxury European car, the ergonomics of the helmseat, the fingertip operation or the freedom of optional state-of-the-art autopilot systems. You'll be delighted by the size of the deck and the superb features and fittings: the wide coamings, the elegantly curved side steps, the new style hatches, the large fishbox and live bait tank and the generous storage compartments for your water toys. And then there's performance. The standard twin Cummins C480 shaft drive diesels deliver an impressive cruising and top speed. However, as with most things in life, it ain't what you do it's the way that you do it: the proportions, balance and hydrodynamics make this vessel extraordinarily stable, agile and responsive. You will enjoy not only a splendid sense of control, but an invaluable feeling of confidence. Relax! You are aboard a
