Notes

The Faeton 980 Open is the perfect option for lovers of deep-sea fishing. Inspired by the classic design of Open Fisher Americans, its keel is a deep "V" and his double diesel engine centerline allow fast and safe navigation even in particularly adverse sea conditions. The interiors are spacious and roomy for a ship of less than 10 metres in length and include a bow cabin with double bed in diagonal, a convenient dinette, a fully equipped kitchen and a comfortable bathroom. The dinette is located external to the shelter of the Hard Top and the large cockpit is ideal for all types of fishing. The boat, perfectly maintained by its owner is ready for delivery. Price over the boards of the Agency.
