Deck Refrigerator, Icebox, Refrigerator

DESCRIPTION

Widely regarded as one the best sportfish boats in her class, the Cabo 40 is a hardcore fishing machines from a company whose reputation for quality and performance is second to none and she is a strikingly handsome boat whose muscular profile reflects her superb open-water performance. The 40 's big 90-square-foot cockpit features a pair of in-deck fish boxes, transom 45-gallon livewell, freezer, and a beefy transom door with top gate. The helm is on the centerline on the raised bridge deck where an L-shaped settee to port will accommodate several guests. Belowdecks she displays a wide-open salon with its warm teak joinerwork and plush furnishings. The settee starboard seats six and converts to upper/lower berths, and the large master stateroom is equipped with an island double berth and two hanging lockers. This beautiful and clean Cabo 40 ' Express, still in the hands of the first owner is really a great deal both for the quality as for the request.
