Notes

This beautiful Boat is in Central Agency at Given For Yachting. Like all Vikings, the 45 Open has been bred to deliver stellar performance in the harsh environment regularly experienced by tournament anglers. Visibility from the centerline helm is outstanding making the 45 Open as easy to maneuver as offshore in a crowded marina. High-speed stainless-steel rudders matched to power-assisted hydraulic steering provides fingertip control. Navigation electronics stow neatly behind clear acrylic panels, which makes the gear totally accessible, yet safely protected from weather and spray. A separate compartment accommodates communication equipment. Owner wants to sell. Trades available.
