These particulars are believed to be correct at the time of taking the specification but are not guaranteed and should be verified by the purchaser before any contract is entered into. Photographs may show items not included for sale within the specification. A prospective buyer is strongly advised at his/her own expense to employ a qualified Marine Surveyor to carry out a survey and/or have an engine trial which conducted by us should not imply any liability on our part. **Plans shown here are indicative only and may vary to actual yacht. All plans and drawings shown are not to any scale and are for illustrative purpose only.**
