Notes

A streamlined, classically elegant boat with a spacious and well arranged cockpit that is flexible and convenient in the Fiat Mare tradition. The comfortable handling and modern fittings ensure long-lasting faithful service and enjoyable navigation and cruising. The 50 Genius is the result of long and thorough studies of all the parts that make up this really exciting boat, which compares favourably with larger vessels. This thoroughgoing project and the original technical solutions adopted really exploit space to the full and can be tailored to suit even the most demanding boat builder. This 50 ' is perfectly maintained, very well equipped and ready to go. Call for further details.
