Kitchen and appliances

Deck Refrigerator, Microwave Oven (combi Smeg), Piastra elettrica, Refrigerator

Upholstery

Bow Cushions, Cockpit Cushions, Window Cover

DESCRIPTION

This beautiful Boat is in Central Agency at Given For Yachting. The 4700 Sport Yacht is above else a robust, reliable and brilliantly engineered vessel. It is a boat in which you can have supreme confidence. The running surface of the hull has been designed by esteemed international naval architect Frank Mulder and features tunnels that house the propellers, an ingenious design that provides more forward thrust, superior fuel efficiency and a wonderfully stable ride. This stability is enhanced by having a large-capacity, mid-mounted fuel tank for extended range. This boat is made for serious voyages as well as playful day cruising. Other design features have also minimised noise: underwater exhausts its, larger shafts, precision engineered Veem propellers and an improved shaft bracket and rudder design all contribute to a blissfully smooth, quiet ride. Even the new structurally engineered engine room liner enhances equipment location and ongoing maintenance. The relentless pursuit of perfecting our craft is evident in so many details-for instance, small fibreglass components like hatches and the swim platform are now made with a new injection moulding process to create a stronger component with a better double-sided finish. Although our Sport Yachts reflect
