Notes

The Atlantic 38 ' of Colombo is an 11-metre boat and 40 who impressed us the character of sports Cruiser, from the aggressive and elegant collection, the result of an ancient experience, very much appreciated by all lovers of "nice" surfing. The Atlantic 38 ' showed grit and determination on the water, with a great opportunity and a valuable estate, combined with great comfort and ergonomics inside. Affects the care with which they were designed and housing solutions were chosen materials, to answer a simple and functional construction philosophy, elegant and practical. The blanket is emphasized by the design of the cockpit, furnished elegantly and by the presence of fine Walnut plank that enriches the character. Also the useful fiberglass roll-bar not jarring with the lateral line of the hull. Optimally maintained by its owner this boat is available immediately.

Price over the boards of the Agency.
