DESCRIPTION

Hull lines are timeless ones that have transformed the famous u.s. work boats refined pleasure yacht with welcoming environments. Sailing keeps optimal cruising speed with seas. A hull that gives security with a reduced body roll and a strong mooring stability but of great aesthetics and excellent marine dowries. The General profile and the external appearance of the era have not undergone significant changes compared to the original but lobster-boat, everything has been reconsidered, enlarged and embellished. Handmade interiors using quality materials, eligible for absolute privacy because with separate entrances on the deck. Illuminated by warm light, which penetrates from the extensive glazing on the side and on the front, are a triumph of elegance and good taste. This boat, meticulously maintained by its sole owner, was repainted in awl-grip navy in 2012.
