DESCRIPTION

The style of Sarnico 60 is simply unique. Designed by Nuvolari Lenard & has original lines and utterly different from any other Open market. The three cabins are well separated and equipped with private bathroom. The aft crew cabin with its services is convenient and comfortable. The two MAN engines from 900 Hp push this beautiful boat to more than 35 Kn max speed allowing a cruising speed of more than 30 Kn. This 60, kept very well from his only owner is ready for delivery for the summer.
