DESCRIPTION

In the original development brief and plans for the award-winning Targa 47 the factory declared the intention of creating a model to redefine the Art of Express Cruising. That this has been achieved so successfully is due in large part to the many advances unveiled at the earlier launch of the flagship model, the widely acclaimed Targa 62. Her leading-edge innovations and powerfully dramatic styling led the way and the all-new Targa 47 inherits the key elements of her elegant design philosophy, including the signature feature of all our GRAN TURISMO models, the powered retractable hardtop. The story continues with an incredibly spacious cockpit, a large stern bathing platform and an integrated garage for tenders and water toys ... not to mention the magnificent saloon, galley and two large cabins, each with its own en suite. This Plate is in 47 excellent conditions. Call for every further detail.
