DESCRIPTION

The Riviera 42 Flybridge Convertible is an exciting expression of a great tradition. Following in the wake of several other Riviera Flybridge Convertibles, this vessel has features and refinements that truly put it in a class of its own. Wherever you look you 'll find the most meticulous attention to detail. It's there in the ease of tying up, thanks to the transom's new top mounted cleats, it's there in the exceptional comfort of a new style cockpit, it's there in the fabulous performance, due in part to modified planing strakes and chines section. And it's there in the sheer elegance, the perfect proportions and styling, both above and below the chine. This 42 is perfectly maintained by the owner and ready to go.
