Security equipment

E.P.I.R.B.

Entertainment

DTV, DVD, Home Theater, TV, TV (32" Pop Up in salone)

Kitchen and appliances

Ceramic hot plate (Miele, 4 fuochi), Deck Refrigerator, Freezer, Oven (Miele), Refrigerator

Upholstery

Bow Cushions, Fly Bridge Cushions, Instrument Cover, Sunshade (parasole pozzetto)

DESCRIPTION

68 The Toy is not only a yacht but a statement of elegance and style. Toy Marine and Nauta Yacht design have created a yacht at the height of the demands of passionate yacht owner. The Toy 68 finds its styling guidelines in the successful Toy 36 with its clean and classic lines but all this has been developed to reach important volumes. These are enclosed between a hull designed at the highest standards for great ocean going performance, and a low and enticing deckhouse with integrated ' Fly Bridge '. This compromise makes the Toy 68 unique in its class of yachts. The greatest feature of the Toy 68 is certainly its aft cockpit, that with 25 sqm is the biggest ever on yachts of this category. This choice was made in order to give total freedom of expression to our owners, being lounging, dining or fishing. The transom door is doubled and opens up on the large swim platform creating a huge sea-platform for all sorts of uses. Naturally like all Toys the hull side is very low in order to feel close to the sea at all times. Call for every detail.
