Entertainment

Hi-Fi, TV, TV

Fishing accessories

Fishbox, Fishing Rod Holder

Kitchen and appliances

Microwave Oven, Piastra elettrica, Refrigerator

Upholstery

Bimini, Bow Cushions, Cockpit Cushions, Cushions

DESCRIPTION

The Bertram 36 Moppie is an upscale express whose classic good looks and rugged construction will appeal to anglers seeking a premium open sportfisherman or a capable weekend cruiser.

Bertram engineers did an excellent job in designing a wide-open and comfortable cabin layout. There's a separate stall shower in the head (a real plus), the sofa converts to upper and lower berths, the galley is equipped with stove, microwave and refrigerator, and the forward queen berth can be separated from the salon with a privacy curtain. Outside, the entire bridge deck can be raised on hydraulic rams for engine access. Twin 450hp Cummins diesels cruise the 36 Moppie at 27 knots and deliver a top speed in the neighborhood of 32 knots. This boat built in 2000 has all the upgrades of the new Series. Call for more details.
