Burner, Deck Refrigerator, Freezer, Microwave Oven, Refrigerator

Upholstery

Bow Cushions, Instrument Cover, Spraywood (Drop curtain pozzetto)

DESCRIPTION

The Tiara 3200 Open was filling some big shoes when she replaced the popular 3100 Tiara Open in the fleet for 2004. Gracefully styled and boasting some impressive performance figures with standard gas power, the 3200 is designed to satisfy the needs of both anglers and cruisers. Her bi-level deck layout is arranged with L-shaped lounge seating to port on the helmdeck, and an aftfacing seat (or optional bait prep station-or wet bar) is positioned behind the helm seat. To live well can be added in place of the standard fold-down transom seat in the cockpit. Below decks, the wellappointed interior of the Open 3200 is an appealing blend of solid teak joinery, Ultraleather, seating, and hardwood floors. A privacy curtain separates the forward berth from the salon, and the settee converts to a double lower berth and single upper berth. The entire helmdeck lifts on hydraulic rams for access to the engineroom. Additional features include an integral bow pulpit, wide side decks, in-deck fish boxes, swim platform, and prop pockets. This 3200 Open, very clean and immaculate, is the perfect deal. Call for every further detail.
