Additional Information

General Description

This generous luxury yacht is a motor yacht of 41 m (134 ft) that was developed at Baglietto in 2004. She is a majestic yacht that can accommodate up to 10 people on board and has a total of 4 cabins for qualified crew. Launched for 2004 the comparatively recent interior design showcases the endowment in the designing of Studio Gagliardi.

The New Build & Design

The yacht's general design work came from Tommaso Spadolini. The professional naval architect firm plans are the work of Tommaso Spadolini and she received her elegant interior designing from the interior design office of Studio Gagliardi. In 2004 she was actually launched with triumph in La Spezia and post sea trials and detailing was thereafter delivered to the owner. The hull was built out of aluminium. The motor yacht superstructure component is fabricated mostly with aluminium. With a beam of 8.6 m or 28.2 ft has spacious interior.

Performance & Engineering Package

The motor yacht is powered with twin ample MTU main engine(s) and can touch a bracing top continuous speed at 26 knots. The main engine of the yacht generates 3700 horse power (or

2815 kilowatts). Her total HP is 7400 HP and her total Kilowatts are 5630. Coupled to the twin water jets. Her fast cruising speed is 21 knots which offers an approximately range of 800 nm.
