Manufacturer Provided Description

With its fine entry hulls, underwater bulb's tuliped towards the deck and its daggerboards, the Catana 65' continues to enhance Catana's reputation of stability, sécurité, and performance, well known all over the oceans of the world. The new architecture, from Christophe Barreau and Frédéric Neuman, gives to the Catana 65' elegant lines and prioritizes the comfort of the passengers. The well sheltered huge cockpit allows a free circulation as well as easier and safer manuvres. The interior design, by Linea Concept, features a modern ambiance with oak floors,

clear oak panelling, alu brushed trim and leather seatings. Other luxurious designs and layouts are available.
