Velvet 90 e' una barca a motore che puo' raggiungere la ragguardevole velocita' di 40 nodi.

Nonostante sia uno yacht dalle rilevanti prestazioni, questa eccellente imbarcazione garantisce una perfetta vivibilita' grazie agli ampi spazi, sia interni che esterni ricreando un' atmosfera elegante dal tocco raffinato.

Il colore dello scafo e' il bronzo metallizzato, dall'effetto riflettente.

Principale peculiarita' e' il cambio di tonalita' a seconda dell'intensita' della luminosita' esterna; mentre per gli interni prevalgono la pelle bianca e il wengè, che creano un piacevole contrasto
