10. ACCOMODATION

"SERENA's" interior joinery is executed in classic state of the art Benetti style with beautiful light color teak essence. She provides accommodation for 6/8 guest in four separate suites all with separate stall showers.

The full - width owner's suite is aft and includes a double king size bed with separate "his" and "hers" ensuite facilities.

Just forward of the master cabin is the owner study that can be easily transformed if necessary, in a double guest cabin, providing excellent versatility.

In front of the study/cabin is a double bed guest cabin whit private head including a separate shower tube. The fourth double guest cabin is located forward at the dinette.

The crew quarters and the galley are located forward with separate ladder from the deck.
