Tailor-made pleasure

Every inch and every last detail of the Galeon 330 Fly are hand-crafted. The 330 motor cruiser is a perfect example of how our designers combine safety and quality with spaciousness and functionality. Thanks to our motor yachts designed and built for uncompromising performance, Galeon has become a highly-reputed trademark and a market leader who has become impossible to ignore.

Overview

The 330 Fly has plenty of space above deck. That makes for pleasurable and convenient conditions for eating, sunbathing and entertaining. This boat is built to get you where you want to go, offshore or well out to sea, and to do it conveniently, comfortably and safely.

You'll like
what you feel
even more

Board her. She brings out a smile on every owner's face on her first day at sea. Step aboard the 330. You'll like what you see. The Galeon 330 is built to satisfy your every need and to provide you with the ultimate in luxury.

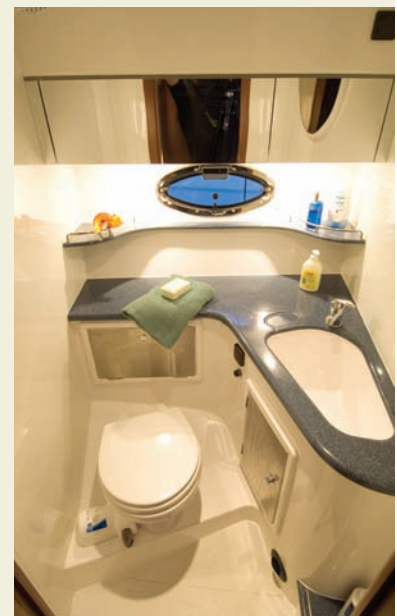

Interior

The cockpit and cabin design utilize every inch of space to make your spare time fun-filled and convenient for both pilot and passengers. Most boat owners long to go to sea when they are at home. When you are aboard this boat, we make sure you do not long to back home.

Comfort below

The roomy owner's suite forward gives you the perfect feeling of a second home. A Galeon will always give you the feeling of being surrounded by quality, safety and comfort.

The cockpit, the three suites, the bathroom and the separate shower are all equipped with warm, balanced lighting.

Enjoy the warm evening sun

The stern deck and the bathing platform area provide opportunities for a variety of activities. Let your imagination decide which. Alternatively, why not just relax?

Owning a yacht like the Galeon 390 gives you the perfect blend of relaxation, luxurious living and pure fun.

Galeon have been turning ambitious dreams into floating realities since 1982. Our experience and reputation as a full-range builder have resulted in the construction of several popular motorboats and luxury motor yachts up to 16 meters. The demand is increasing. Today the company benefits from over 20 years of experience and knowhow of building boats. Every Galeon is constructed, designed and custom-made with safety, quality and durability in mind.
