UNPARALLELED LUXURY

GALEON

The precise hull structure, top grade components and meticulous finish were key to creating this model. Ready to handle any conditions thanks to powerful Volvo Penta engines along with sophisticated onboard electronics, the 530 is a reliable partner in any situation.

CLASSIC MAHOGANY

GALEON

The classic mahogany interior finish is both elegant and luxurious. A choice of leather, wall materials and hardwood floors is available. The spacious saloon is a great place to relax, complete with a bar area and comfortable sofas. Two bathrooms and three cabins can be found down below for extra privacy .

GALEON

The Wenge design line is a real eye-catcher. Sleek lines create a clean and modern look completed by luxurious fittings and top-of-the-line equipment. Dark wood is complemented by light upholstery and top-grade steel details. The final effect is simply stunning.

HARDTOP VERSION

GALEON

The hardtop version is perfect for dynamic individuals. Aggressive design achieved by clean and simple lines fits neatly with this performance orientated model. Close to 8 square meters of glass panels on the roof keep the interior well lit and pleasant.

CLEVER DESIGN

The sliding glass doors on the main deck and the huge sunroof let You enjoy the sun and the sea breeze, offering protection when desired.
