390 FLY
390 HT

TAILORED PLEASURE

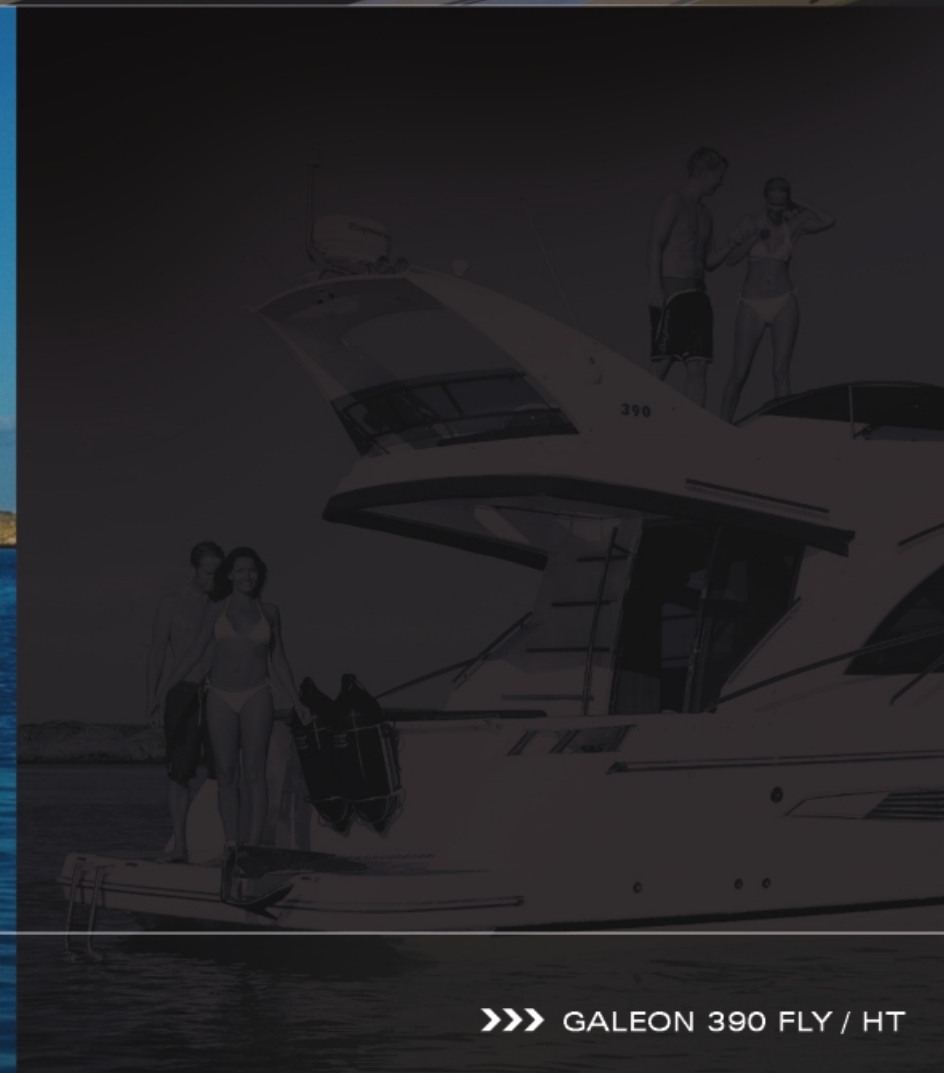

GALEON

The Galeon 390 was designed to combine functionality, performance and comfort in an attractive package. With two versions to choose from, a full lineup of powerful engines and custom fitted interior. You will never have to compromise. Tough and durable, both the Fly and the Hardtop will manage any conditions.

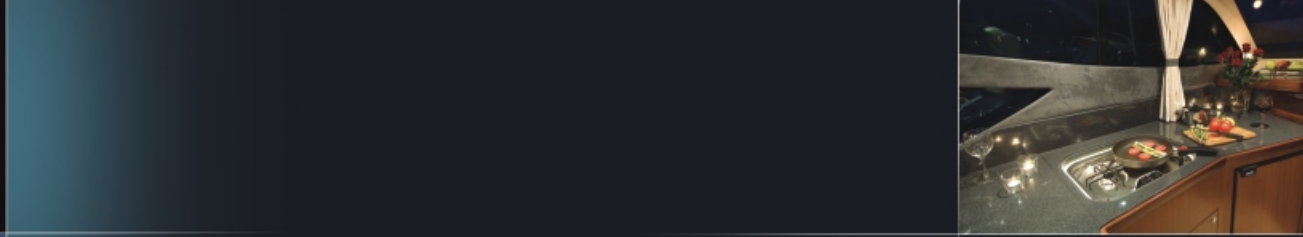

The flybridge lets You experience the thrill of the open water and enjoy the weather while maintaining total control. Thanks to great visibility and clever hull design, great cruising is guaranteed every time. The top deck includes a specious sun bed, sitting area and a table for refreshments.

SPECIOUS FLYBRIDGE

ELEGANT INTERIOR

The classic mahogany interior is timeless and elegant. Custom fitted furniture, hand sewn upholstery and clever layout create a space that is unique and soothing at the same time. A choice between two or three cabins is available and conveniently separated toilet and bathroom comes standard.

The Wenge design line is a real eye-catcher. Sleek lines create a clean and modern look completed by luxurious fittings and top-of-the-line equipment. Hardwood floors, Alcantara wall materials and stainless steel details are all available to choose from.

WENGE DESIGN

THE HARDTOP VERSION

The 390 Hardtop lines are streamlined and dynamic. The automatic sliding glass roof protects from the elements while still letting in plenty of sunshine. The hull design allows for aggressive handling yet not compromising the comfort of the ride.

DESIGNED TO SATISFY

GALEON

The Mediterranean design was created by Tony Castro to accentuate the yacht's relaxed atmosphere. Here, luxury and comfort blend together flawlessly creating a unique experience completed by a choice of Volvo Penta diesel engines, guaranteeing superb performance.
