

PORTOFINO 40

PORTOFINO 40

SPORTS CRUISER

Style: Sports Cruiser

Accommodation: Up to 4+1 guests

Tender and toys: Platform

Drives: Sterndrive

Performance: Up to 36 knots

Marking the return to this entry level length after some years' absence, the new Portofino 40 is the result of a long hard study of a highly competitive market sector, and the upshot is an absolute class leading all-rounder.

Every inch a Sunseeker, standards of design, build, finish and fitting are as on any in the range, so when she launches in the summer she'll be surrounded by marina envy.

In plan she's a two cabin, four+one berth, family or friends boat with central saloon, galley and twin access head and shower room. Beyond the exquisite owner stateroom forward, the surprise is the headroom and huge hullside windows in the amidships cabin with its twin beds and third, child's berth.

Back on deck, the large cockpit is key, made even bigger by clever convertible seating enhancing forward observation and also sunpad extension. For choice of sun or shade there's a hard top with electrically operated, sliding, fabric roof.

Sterndrives rather than pods but still with optional joystick point-and-park control.
